Dear Parents

COLTS WINTER NETS 2012

Winter nets will again be held at Kings International College from Monday 23 January to Thursday 5 April (**excluding 13-17 February – half term**). Enrolment will be on a first come first served basis for each of the age groups. A maximum of **16 places (20 places in U9/U10)** will be allocated in each session, thereby enabling better pre-planned coaching for all.

Dan Burns, the Club's Head Coach (Level 2 qualified) and 1st XI player will lead the coaching for Colts Winter Nets, assisted by other qualified coaches from the club.

Sessions are as follows:

Day	U9/U10	U11	U13	U15	U17

Tuesday	-	-	-	5.30-6.45 pm	-

FEES

This season the Club is introducing a new fee structure for its Colts coaching and match fees. For those boys wishing to attend both Winter Nets and enrol for 2012 Club membership, we are introducing a combined subscription of £110. For parents wishing to do so, this sum can be paid over two instalments, the first £55 payable upon enrolling at Winter Nets and the second being payable by 1 April 2012. This sum covers the total cost of all coaching fees throughout January to August including any match fees and offers a considerable saving against previous years on the cost of Colts cricket.

Parents also have the option at this stage to enrol just for Winter Nets and for this the fee is £45. Should, as we hope, you then register your child for 2012 Club membership in April the registration subscription will be £80 for summer coaching together with match fees.

If existing Camberley CC Colts know of any of their friends interested in playing cricket, please get their parents to contact Gill Abraham on 01276-684150 or e-mail gillpabraham@yahoo.com To enable us to organise the sessions for Winter Nets the closing date for booking is Friday 6 January 2012.

We look forward to seeing you at Winter Nets in January.

Yours faithfully
